

WheelerJump Product Warranty

13335 W Hillsborough Ave, Tampa, FL 33635

Customer Service: daniela.gonzalez@wheelersportstech.com

Warranty Duration

- **WheelerJump Cover:** Wheeler offers a one (1) year warranty from the date of purchase for the WheelerJump cover. The cover is meticulously crafted with acrylic, providing durable and resilient protection.
- **Power Strip:** The acrylic power strip, designed for functionality and aesthetics, is backed by a one (1) year warranty from the date of purchase.
- **Electronic System:** The comprehensive electronic system of the WheelerJump also comes with a robust one (1) year warranty. This coverage ensures peace of mind, guaranteeing the continuous and reliable performance of the electronic functions of your device.
- **Battery:** The WheelerJump battery is supported by a specific one (1) year warranty from the date of purchase. This warranty includes the battery's ability to maintain optimal charge, ensuring consistent and reliable performance throughout the coverage period.

Warranty Coverage

Wheeler is committed to replacing or repairing any of the aforementioned components that exhibit manufacturing defects or have been damaged due to normal product use. The warranty does not cover damages caused by improper use, negligence, or unauthorized modifications.

Shipping Costs

This warranty covers the shipping costs associated with the return of the product in case the issue is determined to be covered by the warranty.

Proper Use of WheelerJump

It is important to highlight that, if used appropriately and following the user manual provided with the WheelerJump, this equipment has the potential for many years of durability.

We appreciate your trust in our products and are committed to your satisfaction as a customer.
